

When you purchase your Linwood Custom Home

WE AUTOMATICALLY GUARANTEE

THE PRICE: Your Linwood Custom Home Material Package, as described in the Purchase agreement, will not increase from the beginning of the project until completion. Price protection in this volatile building material market offers peace of mind.

THE DESIGN: Whether you choose a stock plan or have our designers modify a plan to suit your needs as it relates to your property and budget; the finished design will meet or exceed building code demands.

THE QUALITY: Our materials are specially selected, kiln dried and wrapped to protect from exposure, and they exceed the provincial building code standards. Any manufactured product that forms a part of our package includes a specific manufacturer warranty.

THE QUANTITY: Your Linwood Home Material Package as described within the Purchase Agreement with assurances of enough supply sufficient to complete the construction relative to the construction drawing supplied.

As a reminder,

Our design team can customize any Linwood stock model to suit your specific needs and property. Our virtual tour of select model homes displays interior and exterior views, colour schemes and more.

Thank you for reviewing our Generation-3 services.
